WARDROBES FOR THE FINEST HOMES

Q.

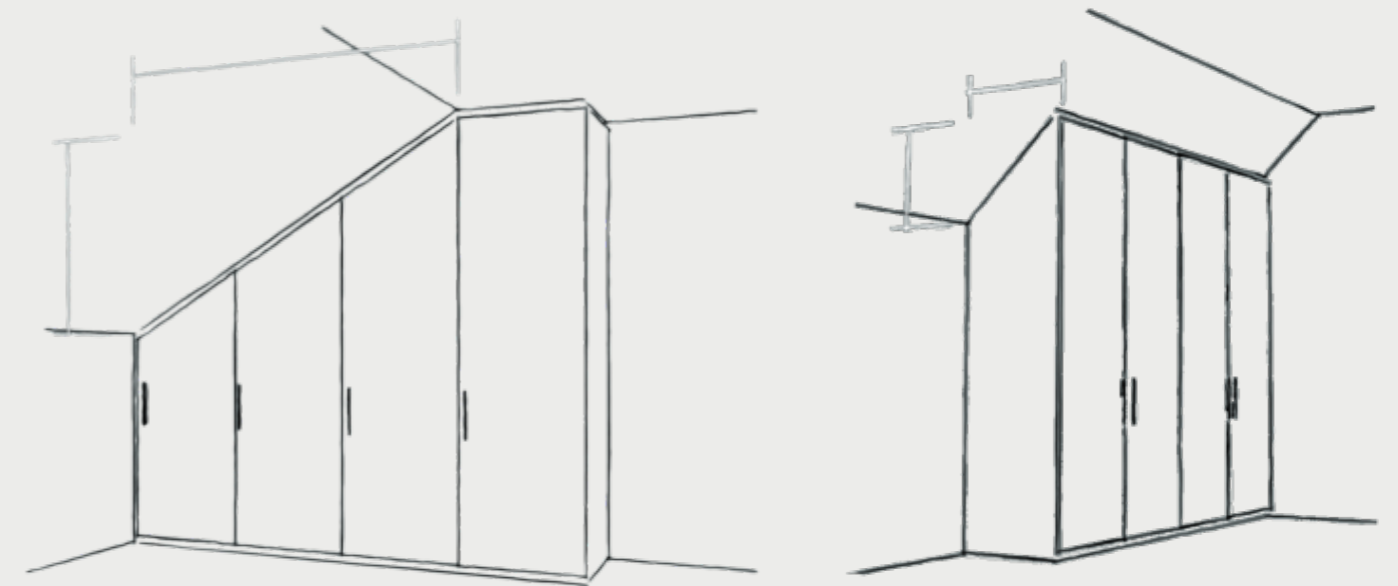

AS UNIQUE AS YOU

We understand everyone has their own style and tastes, therefore we don't try and guess what you like, but let you create it yourself!
With a huge range of internal and external designs and finishes, your wardrobe can be truly one of a kind.

You spend over a third of your life in a bedroom - make it your own.

BUILT TO LAST A LIFETIME

All our products are rigorously checked and only the best quality components are used.

You can be assured that when you purchase a wardrobe from QBIUM you'll have invested in wardrobe that will stand the test of time.

IT'S ALL IN THE DETAILS

From the hinges and hanging rails to the shelf lugs and lighting - we've scoured the market for the best and most innovative products there are so you don't have to.

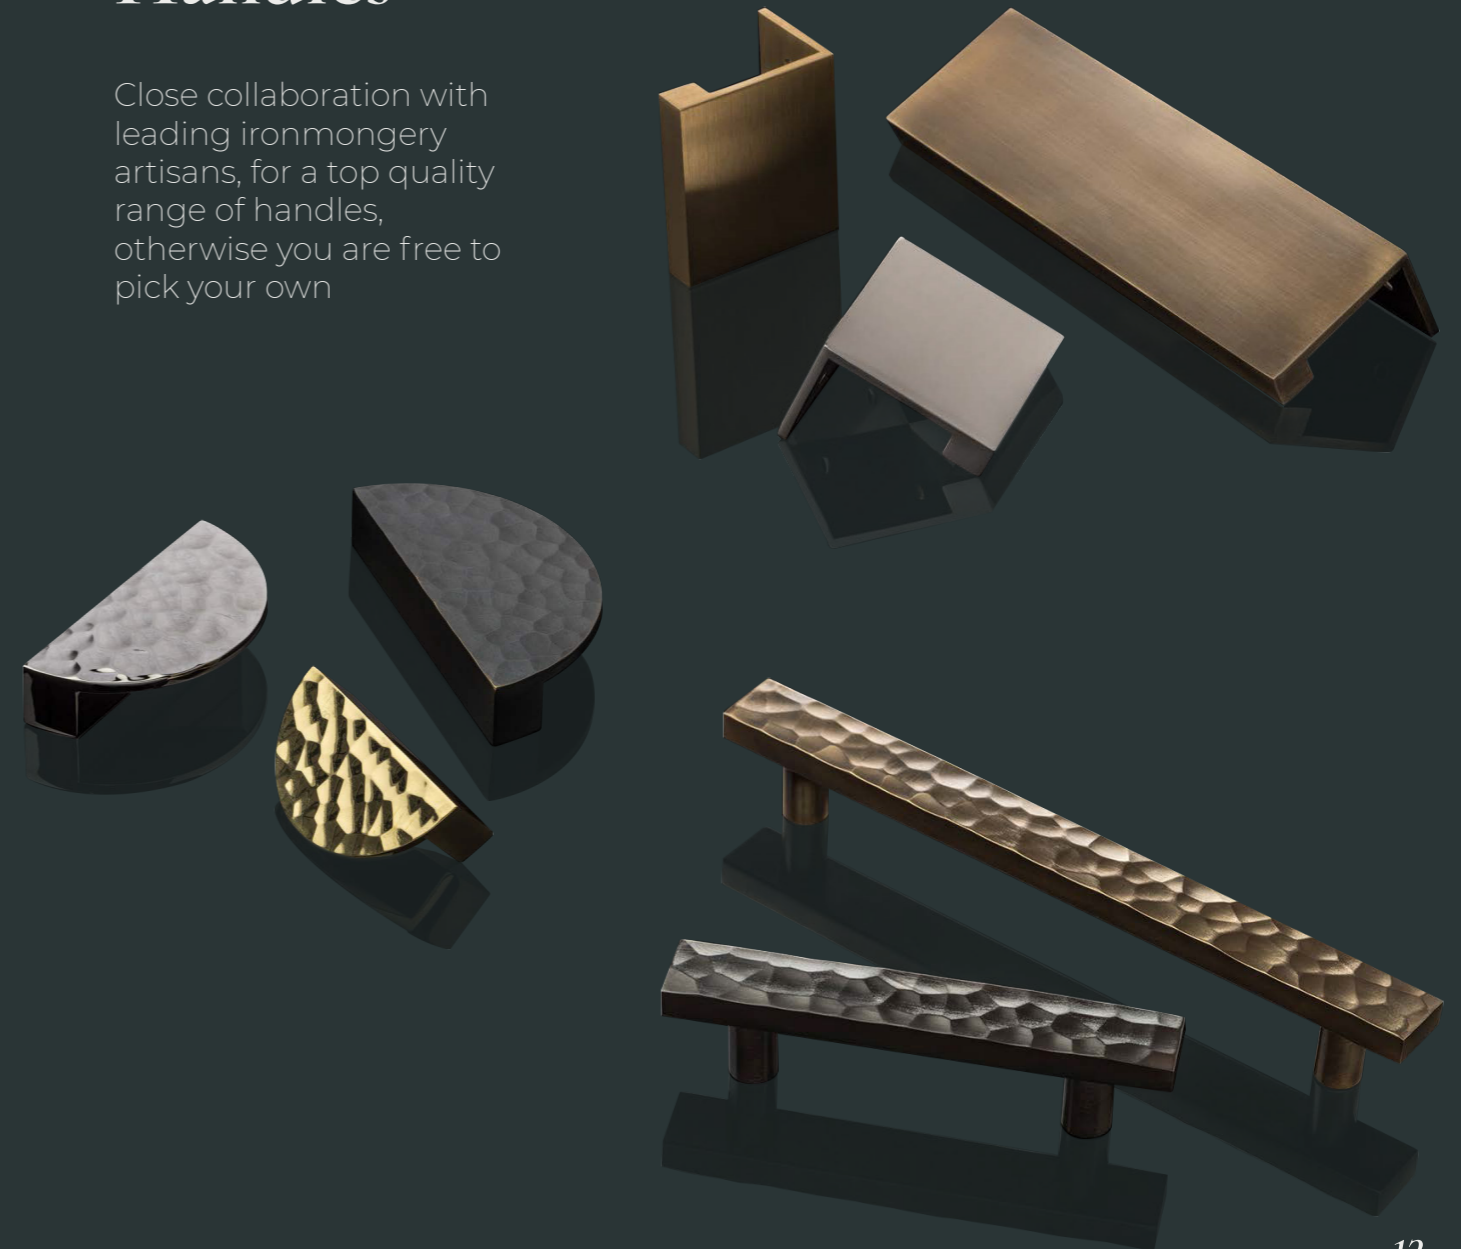

Fittings

- Modern square profile hanging rail in either silver or black
- Top quality Blum soft close hinges available in either Silver or Onyx Black
- Silver or black finish non glare LED strips on soft start door sensors

Handles

Close collaboration with leading ironmongery artisans, for a top quality range of handles, otherwise you are free to pick your own

Accessories

- Storage boxes to get your wardrobes perfectly organised
- Large range of faux leather drawer dividers and inserts
- Optional pull out hanging pegs to create a convenient hanging spot

THE NEW STANDARD IN HYGIENE

Upgrade your wardrobe with our unique air filtering accessory that destroys up to 99% of harmful bacteria and viruses, and additionally removes odour from your clothes and can be personalised with a scent of your choice.

Controllable through an app - you can now be sure your clothes will be kept in top condition.
